Goal:

This continuing education program focuses on the improvement of maternal and infant health through the delivery of risk-appropriate high-quality nutrition services. It is designed for dietitians, nutritionists, certified nurse midwives, registered nurses and nurse practitioners, physicians and public health professionals who serve preconceptual, pregnant, postpartum and breastfeeding women.

Objectives:

- ♥ Describe ways that appropriate nutrition services can improve pregnancy outcomes.
- ♥ Identify characteristics of model programs and counseling approaches for maternal and infant nutritional health.
- ♥ Describe the effect of maternal eating behaviors on birth outcomes and infant health status and development.

Notes:

- ♥ Participants are asked to bring a sweater or jacket due to variations in temperature and personal preferences.
- ♥ Seating is limited. Please call the Nutrition Training Institute at 573.751.6481 to cancel.
- ♥ All meals and beverages will be on your own.
